To Whom it may concern...

RMI Vacations have been working with Lazy Days for the past 16 years. This relationship has continued with Southern who bought RMI Vacations.

Their professionalism, dependability and interactions with our guests are remarkable. Their attention to the guests needs and timely delivery are a great success.

As a Company and Individual, we would highly recommend doing business with Lazy Days and Staff....

Please do not hesitate to call if you have any questions.

Sincerely
